E.G.S Pillay Engineering College
  ✓ *GPA*: 7.0/10.0

Venus Groups of Institution   2019-2020
Higher Secondary Education
  ✓ *GPA*: 79

PROJECTS

Udemy-clone
| *Github Link*   **Jan - 2025**
  ✓ I built a Udemy-inspired website using HTML and CSS as part of my learning journey. The project helped me explore the process of designing and structuring web pages, creating a responsive layout, and improving my front-end development skills.

Greendan
  ✓ I built a Greendan-inspired website using HTML, CSS (Tailwind), and JavaScript to improve my front-end development skills. This project helped me understand responsive design, modern user-interface frameworks, and interactive web elements.
